

The C&C 24. Racer Performance. Cruiser Comfort.

For performance, look no further than the C&C 24.

For comfortable family life aboard, be it weekends or extended cruising, the C&C 24 could be YOUR yacht.

The C&C 24 is a performer that will provide you with the thrills and the action built into all C&C boats. Stable rough water performance, outstanding upwind and downwind handling that sets the C&C 24 apart from other cruiser/racers.

A performer, yes. But roomy and well finished below. She's comfortable, downright easy to live in. Every feature has been planned with the sailing family's cruising comfort in mind.

Look no further than the C&C 24 for both racing and cruising

satisfaction. And the price may be the best surprise of all.

THE C&C 24 IS AN EXCEPTIONAL CRAFT

Created by the C&C Design Group. Constructed with precision and care by craftsmen with years of experience and the highest standards of excellence.

THE NEW C&C 24 YOU TOO, CAN BE A PROUD OWNER.

(And now — at an even more affordable price!)

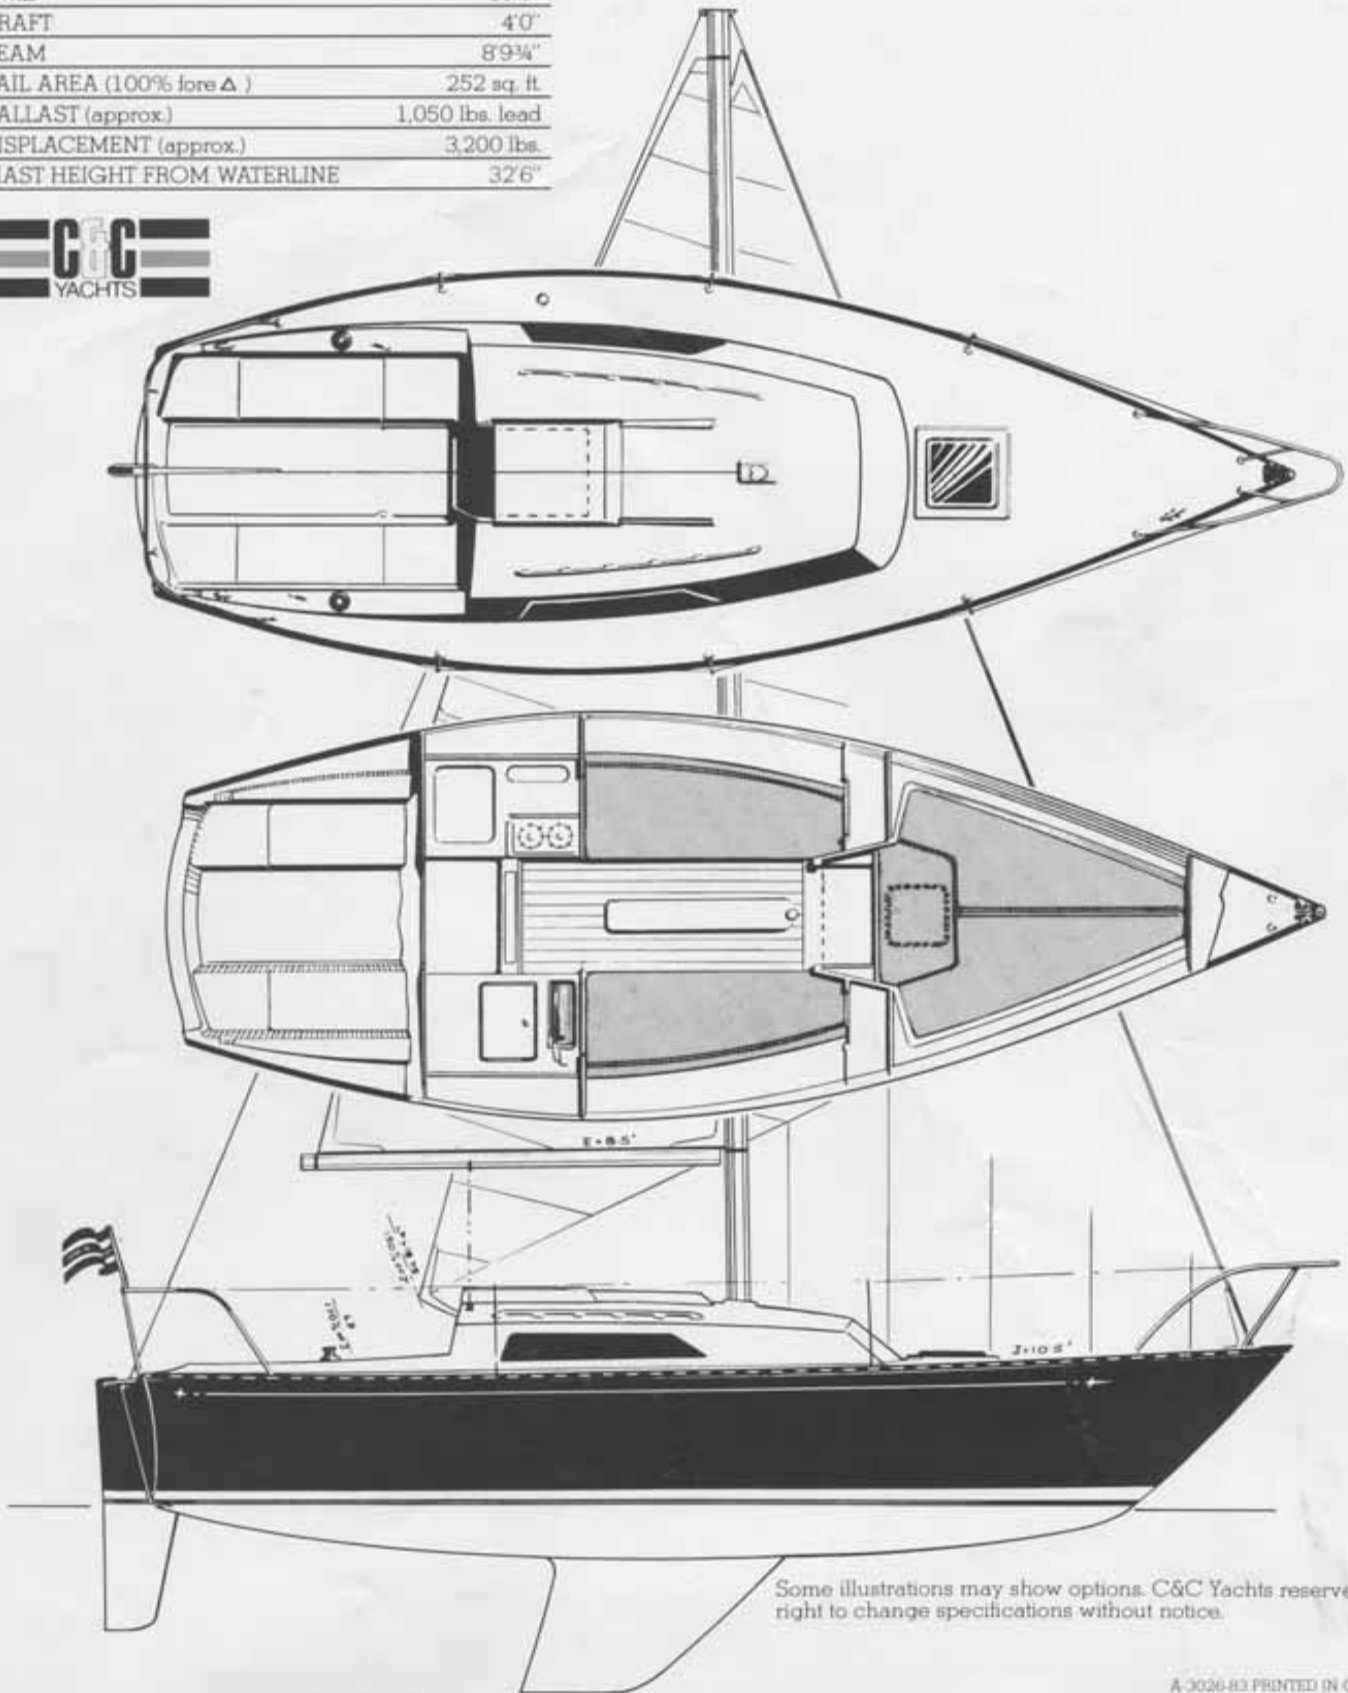

C&C quality: the more you're around boats, the more you believe in it.
