

LOCKLEY
NEWPORT BOATS INC.

LN-23

PERFORMANCE:

The LN-23 is designed to meet the most rigorous performance requirements of the accomplished racer. With her 1000# lead ballast she handles smartly and delivers excellent speed in light or heavy airs.

ACCOMMODATIONS:

The LN-23 offers truly unusual spaciousness for a 23 footer. She sleeps four with exceptional comfort and features an enclosed head for privacy and a complete galley unit that offers all the conveniences.

Built-in storage insures you of ample space for all your gear.

SAFETY FEATURES:

The LN-23 is the ideal family cruiser that features safety as a keynote. The non-skid pattern on the deck provides sure-footing for all passengers as well as such items as life lines, stanchions, bow pulpit and stern pulpit. Other standards for safety include flush anchor well, running and cabin lights and retractable center-board operated from the cockpit.

TRAILERING:

Trailering the LN-23 is a snap with features like the hinged mast, kick-up rudder, and mast support boom crutch. Other standard features include a mainsheet traveler with swivel mainsheet cleat and ball-bearing blocks, adjustable motor mount split backstay and mooring cleats fore and aft.

ANTICIPATION:

Once you've had a look at our LN-23 it's only a matter of time before you succumb to the anticipation of sailing her.

With the wind at your back and the sun warm on your skin, every lake and waterway can turn into your own private playground. Spend your days in total relaxation gliding over the turquoise blue waters of your own choosing. The LN-23 is the perfect place to relax with your family or entertain guests to an experience they will never forget.

We invite you to leave the pressures of life on shore and enjoy life to its fullest on the LN-23.
